CORNER BOOKSTORE

Happy New Year from the Corner Bookstore volunteers!! May the upcoming year bring good health and happiness.

To start the new year off, we have a wonderful collection of transportation books. Come in to browse planes, trains and automobiles!

There is a large selection of wintry themed children's books and chapter books for young readers. As always, books for young adults and juvenile nonfiction are available for great prices.

Because our patrons love popular authors, we have a huge selection of bestsellers. Come in and find your favorite Baldacci, Patterson, Steele or Woods books for bargain prices of 50 cents to \$2.00.

We restock our shelves as donations are processed so there is always something new to be found and enjoyed. Pop some popcorn, put a log on the fireplace and cozy up with a few good books or movies (from our large DVD collection) during the chilly weather.

A note about donations: First, THANKS to everyone who thinks of the South Charleston Public Library when deciding what to do with books that need a new home. Please keep in mind that your books are for resale and contribute to the financial success of the library. So, keep those gently used books coming!

DISPLAYS

If you're looking for ideas for your next read, make sure to check out our various displays located at the entry of the library and on the end caps of the Adult fiction and Nonfiction sections.

THANK YOU

The management and staff at South Charleston Public Library would like to thank all of our patrons, community members, and supporters for another wonderful year. We enjoy providing various services and items to the community each year. Thank you to all of those who also attend our programs and spend time here using our computers. Everyone's patronage is what keeps the library important and a main hub for the community. As we say goodbye to 2025, we are excited about the future and what is yet to come in the next year. We hope everyone has a wonderful year and continues to visit us in 2026. Happy New Year!
