CORNER BOOKSTORE

Did you know that February is National Library Lover's Month? Come in and browse the Corner Bookstore for your favorite novels or nonfiction selections. Let us help you get ready to cozy up with a good book or two during the upcoming wintry months.

In honor of Presidents Day which is celebrated on February 16 this year, we have a large selection of presidential biographies for you. Other February selections include a number of Valentine's books for the kids and a substantial selection of romance novels which will be on sale for 10¢ each.

Finally, we are also featuring cozy mysteries during February. This is a popular genre so don't miss out on finding some real treasures!

IMPORTANT NOTICE:

In order to serve you better, we are suspending donations of your gently used books during the month of February. We are overwhelmed with your generosity, but need time to process your contributions. Thank you in advance for your patience and we'll be ready for your books in March!

CREATIVE SPACE

Community
Creative
Space

Thinking of starting a new hobby or just want to create something special for someone or yourself? We have a space full of items to help you do just that! Tucked away on the adult side of the library is our Community Creative Space.

The room has a Cricut, sewing machine, dress form, Glowforge laser engraver, heat press, resin 3D printer, and a computer loaded with the Adobe Creative Cloud Suite! We also have a new filament 3D printer. All of the equipment is free to use, you just have to bring or purchase the materials you need.

The Creative Space is for anyone over 18 years old or 13 while accompanied by an adult and you must go through a brief safety training. Any requests for 3D prints emailed to reference@scplwv.org
