## CORNER BOOKSTORE

It's been a rough winter but the Corner Bookstore is preparing for a simply lovely Spring! Come in and browse our collections of the following:

- Self Help
- Religion, including a variety of Bibles
- Gardening
- Quilting
- Easter and spring books for the kids

Remember to check out our DVD and CD collections the next time you visit the store. There's something for everyone. It just takes a little browsing to find your next movie night selections.

**Special Note:** The pause on donations is lifted. We'd love to have your gently used books for the Corner Bookstore.

HAPPY  
ST. PATRICK'S  
DAY

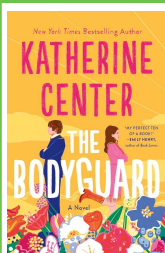

## EQUIPMENT SPOTLIGHT

### Self-Checkout

This month, we want to spotlight our Self-Checkout machine. This machine is located to the left of the front desk and is for anyone to use. This is a great way to check out if there are lines at the front desk, prefer no human interaction, or even if there is just something you want to check out that is sensitive to you! All you need is your library card and PIN. If you need a PIN, see the front desk.
