Your Favorite Scary Movie
By Ashley Cullins

"I absolutely LOVE this book! It is a

great deep dive into my favorite movie franchise, *Scream*. I really enjoyed the author's stories and interviews. If you like audiobooks like I do, the other great thing about this book is that Roger L. Jackson, the voice of Ghostface, is the narrator. If you want more *Scream* content after reading the book, check out our *Scream 7* episode of our podcast, *The Reel Opposites*, out April 1st!
